

Professor Peter Morgan

Professor Morgan is the Director of the Rowett Institute of Nutrition and Health (RINH) and Vice Principal at the University of Aberdeen. He is responsible for the scientific strategy and organisation of the RINH within the College of Life Sciences.

Professor Morgan is a member of several key committees related to scientific strategy and implementation. These include the Scottish Science Advisory Committee, BBSRC Healthy Organism Strategy Panel, Steering Group of BBSRC Diet and Health Research Industry Club (DRINC), the Scientific Committee of the German Human Nutrition Institute, Potsdam, Germany and the Governing Council of NuGO (an EU-funded Network of Excellence in Nutrigenomics) as well as the Executive Committee of the NuGO Association. He is a Fellow of the Royal Society of Edinburgh as well as the Institute of Biology. He continues to maintain an active research group at the Institute (Molecular Endocrinology) focused upon the physiological regulation of energy balance and growth and the role of biological timing systems in physiology.
