Teams from previous years will know that HRH Limited sponsor the "Challenge Trophy" which will be retained by the winning team until the next Quiz Evening, and on which the winning team names are inscribed for posterity.

As always, questions will not be exclusively geological; there will also be general knowledge, trivia, pictures and music.

We plan to have at least 3 prizes in the following categories :-

- 1 Overall winner of all rounds including geology - HRH Challenge Trophy.
- 2 Winner of non-geological rounds.
- 3 Winner geological rounds.

- There will be a special team prize for undergraduate geology students.
- Maybe more prizes if donations are received.
- and then there is also a very useful set of wooden spoons!

There will be a raffle. If you or your company is able to contribute a prize or provide any sponsorship for this event (e.g. sponsor a round of questions), please let us know at the email/contact number above.

Please circulate a copy of the Quiz Poster around your Company, pin it on a notice-board, and if you yourself are not interested, pass it to colleagues who may be. Please send in the team reservation slip with your team name and encourage other prospective teams to do the same!

The A.G.A. is open to friends of the University and the Geology Department so you do not have to be a member or graduate of Aberdeen in order to attend our Quiz Evening.
All profit from AGA social events goes toward assisting geology students with field work, equipment and providing course work prizes.

Thank you for your time and your support.
