Job titles included:
- Advertising Account Executive
- Assistant Scientist
- Clinical Research Associate Trainee
- Embryology Lab Technician
- Publications Assistant
- Trainee Accountant

Employers included:
- Aberdeen Royal Infirmary
- Charles River Laboratories
- ClinTec International
- System Analytics

Courses included:
- BDS
- MBChB
- MRes Drug Discovery
- MSc Cancer Sciences
- PG Dip Physician Associate Studies
- PGDE Secondary Education
- PhD Optical Medical Imaging

* This chart includes destinations of honours graduates in the following degree subjects: BSc Biomedical Science with specialism in Anatomy, Developmental Biology, Pharmacology and Physiology, BSc degrees in Exercise and Health Science, Human Embryology and Developmental Biology, Immunology and Pharmacology, Immunology and Pharmacology (Biobusiness), Neuroscience with Psychology, Pharmacology, Physiology, Sports and Exercise Science, and MSci degrees in Biomedical Science with Industrial Placement in Developmental Biology, Immunology and Pharmacology, Pharmacology and Physiology.

www.abdn.ac.uk/careers
**Biomedical Sciences Destinations 2014-15***

**Job titles included:**
- Business Development Executive
- Cellular Therapy Production Scientist
- Clinical Neurophysiologist (Trainee)
- Dental Territory Manager
- Social Media Director
- Trainee Toxicologist

**Employers included:**
- Baxters
- NHS
- Pro Pharma Group
- Scotia Biologics
- University of Glasgow

**Courses included:**
- BDS
- MBChB
- MSc Bioinformatics
- MSc Drug Discovery and Development
- MSc Physiotherapy
- PhD Genetics and Molecular Medicine

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Biomedical Science with specialism in Anatomy, Pharmacology and Physiology, BSc degrees in Exercise and Health Science, Human Embryology and Developmental Biology, Immunology and Pharmacology, Immunology and Pharmacology (Biobusiness), Pharmacology, Physiology, Sports & Exercise Science, Neuroscience with Psychology (Biobusiness) and MSci degrees with Industrial Placement in Biomedical Science with Industrial Placement in Biomedical Science (Developmental Biology), Biomedical Science (Physiology) and Pharmacology.

Job titles included:
- Account Executive
- CASE Europe Graduate Trainee
- Medical Lab Assistant
- Multi-Lingual Medical Information Officer
- Sports Therapist

Employers included:
- Aberdeen Royal Infirmary
- Pro Pharma Group
- System Analytics
- University of Glasgow

Courses included:
- MBChB
- MRes Drug Discovery
- MSc Management (Finance)
- MSc Physiotherapy
- PG Dip Physician Associate Studies
- PhD Medicine

* This chart includes destinations of honours graduates in the following degree subjects: BSc Biomedical Sciences (Anatomy).
Anatomy Destinations 2013-15*

**Job titles included:**
- CASE Europe Graduate Trainee
- Marketing Assistant
- Multi-Lingual Medical Information Officer
- Perioperative Healthcare Support Worker
- Quality Technician

**Employers included:**
- 2 M Financial
- Pro Pharma Group
- Software Scotland
- University of Glasgow

**Courses included:**
- MBChB
- MSc (by Research) Reproductive Health
- MSc Biobusiness and Medical Science
- MSc Forensic Science
- PG Dip Physician Associate Studies
- PGDE Secondary Education (Biology)
- PhD Neuroscience

* This chart includes destinations of honours graduates in the following degree subjects: BSc Biomedical Sciences (Anatomy) and BSc Biomedical Sciences (Anatomy) Intercalating.
Job titles included:
- Assistant Scientist
- Lecturer
- Medical Laboratory Assistant
- Trainee Embryologist
- Trainee Toxicologist

Employers included:
- Aberdeen Royal Infirmary
- Charles River Laboratories
- Scotia Biologics
- University of Aberdeen

Courses included:
- BSc Midwifery
- MRes Biomedical Science
- MSc Agricultural Sciences in the Tropics and Subtropics
- MSc Reproductive Medicine, Science & Ethics
- PhD Developmental Biology
- PhD Molecular Biology of Cells
- PhD Optical Medical Imaging

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Biomedical Sciences (Developmental Biology), Human Embryology and Developmental Biology, and MSci degrees with Industrial Placement in Biomedical Sciences (Developmental Biology), Human Embryology and Developmental Biology.
Pharmacology Destinations 2015-16*

Job titles included:
- Advertising Account Executive
- Clinical Research Associate Trainee
- Publications Assistant
- Recruitment Consultant
- Site Monitor

Employers included:
- ClinTec International
- iS LifeScience
- Pharmaceutical Product Development

Courses included:
- BVMSci Veterinary Medicine and Science
- MRes Drug Discovery
- MSc Biomedical Engineering
- MSc Cancer Biology
- MSc Epidemiology
- MSc International Health Management
- PhD Cancer Biology and Receptor Signalling
- PhD Neuroscience

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Biomedical Sciences (Pharmacology), Immunology and Pharmacology, Immunology and Pharmacology (Biobusiness), Pharmacology, and MSci degrees with Industrial Placement in Biomedical Sciences (Pharmacology) and Immunology and Pharmacology.
Pharmacology Destinations 2014-15*

Job titles included:
- Business Development Executive
- Dental Territory Manager
- Quality Control Technician
- Trainee Animal Technician

Employers included:
- Baxters
- Cell ProTx
- GSK
- NHS
- Randox

Courses included:
- MSc Bioinformatics
- MSc Drug Discovery and Development
- PGDip Physician Assistant Studies
- PhD Applied Health Science
- PhD Cancer Research and Cell Biology
- PhD Neuroscience

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Biomedical Sciences (Pharmacology), Immunology and Pharmacology, Immunology and Pharmacology (Biobusiness), Pharmacology, BSc Pharmacology (Biobusiness) and MSci Pharmacology with Industrial Placement.

www.abdn.ac.uk/careers
Physiology Destinations 2015-16*

**Job titles included:**
- Finance Operations Analyst
- Medical Lab Assistant
- Research Assistant
- Senior Intern in Clinical Trial Management
- Teaching Assistant

**Employers included:**
- Medpace
- RSM
- Southern Health and Social Care Trust
- University of Edinburgh

**Courses included:**
- BDS
- Master of Public Health
- MBChB
- MSc Molecular Biomedicine
- MSc Physician Associate Studies
- PGDE Secondary Education (Biology with Science)
- PhD Tissue Repair

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Physiology, Biomedical Sciences (Physiology), Neuroscience with Psychology, and MSci degrees with Industrial Placement in Biomedical Sciences (Physiology).
Job titles included:
- Cellular Therapy Production Scientist
- Clinical Neurophysiologist (Trainee)
- Clinical Trial Assistant
- Community Living Assistant
- Science Technician
- Trainee Clinical Vascular Scientist

Employers included:
- NHS National Services Scotland
- Nottingham University Hospitals NHS Trust
- People Consultancy
- Southport College

Courses included:
- MBChB
- MRes Brain Sciences
- MSc Drug Discovery and Translational Biology
- MSc Global Health and Development
- PGDE (Secondary) Biology
- PhD Medicine

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Biomedical Sciences (Physiology), Neuroscience with Psychology, Neuroscience with Psychology (Biobusiness), BSc Physiology, and MSci with Industrial Placement in Biomedical Sciences (Physiology).
Sports Science and Studies Destinations 2013-16*

Job titles included:
- Graduate Sports Intern
- Social Media Director
- Support Worker
- Swimming Coach and Teacher
- Trainee Accountant
- Voluntary Performance Analyst

Employers included:
- Aberdeen Sports Village
- Edinburgh Rugby
- Project Ski
- Sport Aberdeen

Courses included:
- BHF PhD in Cardiovascular Science
- MSc Forestry
- MSc Human Nutrition
- MSc Physiotherapy
- PhD Medical Science
- PhD Sports Science

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Exercise and Health Science, Sports Studies, Sports and Exercise Science and Sports and Exercise Science (Intercalating).
Job titles included:
- Care Coordinator
- Health & Fitness Manager
- Research Assistant
- Rugby Player
- Social Media Director

Employers included:
- Aberdeen Sports Village
- Dublin City University
- NHS
- Skipton Building Society
- University of Stirling

Courses included:
- MSc Human Nutrition
- MSc Physiotherapy
- MSc Psychology of Sport
- MSc Sport Management
- PG Dip Physician Associate Studies
- PhD Exercise Physiology

* This chart includes destinations of honours graduates in the following degree subjects: BSc degrees in Exercise and Health Science, Sports Studies, Sports and Exercise Science and Sports and Exercise Science (Intercalating).
MSci Medical Sciences Destinations 2014-16*

Job titles included:
- Cell Culture Technician
- Cellular Therapy Production Scientist
- Clinical Research Associate Trainee
- Clinical Trial Assistant
- Marie Curie Researcher
- Research Assistant

Employers included:
- Allied Health Care
- ClinTec International
- NHS National Services Scotland
- University of Edinburgh

Courses included:
- MRes Cardiovascular Science
- PhD Applied Health Science
- PhD Biochemistry
- PhD Cancer Immunology
- PhD Molecular and Cellular Biology
- PhD Pharmacology
- PhD Regenerative Medicine

* This chart includes destinations of honours graduates in the following degree subjects: MSci with Industrial Placement in Biomedical Sciences (Developmental Biology), Biomedical Sciences (Molecular Biology), Biomedical Sciences (Pharmacology), Biomedical Sciences (Physiology), Biochemistry, Biotechnology (Applied Molecular Biology), Genetics (Immunology), Genetics (Immunology and Biobusiness), Immunology, Immunology and Pharmacology, Microbiology and Pharmacology.

www.abdn.ac.uk/careers
Job titles included:
- Cell Culture Technician
- Cellular Therapy Production Scientist
- Marie Curie Researcher
- Research Assistant (Biomedical)

Employers included:
- Allied Health Care
- Royal Society of Chemistry
- University of Aberdeen

Courses included:
- DPhil Chromosome and Developmental Biology
- MRes Cardiovascular Science
- PhD Applied Health Science
- PhD Biochemistry
- PhD Cancer Immunology
- PhD Molecular and Cellular Biology
- PhD Pharmacology
- PhD Structural Biology

* This chart includes destinations of honours graduates in the following degree subjects: MSci degrees with Industrial Placement in Biomedical Sciences (Developmental Biology), Biomedical Sciences (Molecular Biology), Biomedical Sciences (Pharmacology), Biomedical Sciences (Pharmacology) with Biobusiness, Biomedical Sciences (Physiology), Biochemistry, Biotechnology (Applied Molecular Biology), Genetics, Genetics (Immunology), Human Embryology, Immunology, Immunology and Pharmacology, Microbiology and Pharmacology.

www.abdn.ac.uk/careers
Job titles included:
- Cellular Therapy Production Scientist
- Clinical Research Associate Trainee
- Clinical Trial Assistant
- Research Assistant (Biomedical)
- Senior Intern in Clinical Trial Management

Employers included:
- ClinTec International
- Khartoum University
- NHS National Services Scotland
- University of Edinburgh

Courses included:
- MSc Medicine
- PhD Applied Health Science
- PhD Cancer Biology and Receptor Signalling
- PhD Immunology
- PhD Molecular Biology of Cells
- PhD Neuroscience and Biochemistry

* This chart includes destinations of honours graduates in the following degree subjects: MSci degrees with Industrial Placement in Biomedical Sciences (Developmental Biology), Biomedical Sciences (Pharmacology), Biomedical Sciences (Pharmacology and Biobusiness), Biomedical Sciences (Physiology), Human Embryology, Immunology and Pharmacology, and Pharmacology.
