

ASPARRG and the *Journal of Religion, Disability and Health*

A forthcoming (2009) issue of *JRDH* will mostly be comprised of articles by members of ASPARRG on the theme of **RELIGION AND AUTISM**. The complementary work of Dubin & Graetz and of Stacy White had already been received by the Journal and it adds to the range of offerings in this issue.

TABLE OF CONTENTS

Introduction

John Swinton and Christine Trevett: 'Religion and Autism: Initiating an interdisciplinary conversation.'

Theology, spirituality and ethics

1. Brian Brock: 'Autism, care and Christian hope.'
2. Jim Gordon 'Is a sense of self essential to spirituality?'
3. Nick Dubin, Janet E. Graetz, 'Through a different lens: spirituality in the lives of individuals with Asperger's Syndrome.'
4. Paul Dearey 'Do the autistic have a prayer?'

Perspectives from the Humanities

5. Mitzi Waltz 'From changelings to crystal children: An examination of the "New Age" ideas about autism.'
6. Ian Kenway 'Blessing or Curse? – Autism and the Rise of the Internet.'
7. Geoffrey Samuel 'Autism and meditation: Some reflections.'
8. Christine Trevett 'Asperger syndrome and the holy fool: the case of brother Juniper.'

Researching towards the future

9. Quinton Deeley 'Cognitive style, spirituality, and religious understanding: the case of autism.'

10. Ann Lewis: 'Methodological issues in exploring the ideas of children with autism concerning self and spirituality.'
11. Stacy White, 'The influence of religiosity on well-being and acceptance in parents of children with Autism Spectrum Disorder'.
