The University of Aberdeen is very pleased to offer a 20% discount in postgraduate tuition fees for all alumni who have successfully completed a degree from the University of Aberdeen or studied for a period as an International Exchange, Study Abroad or Erasmus student. The Alumni Discount Scheme applies to both home and overseas students, and applies to the self-funding element of the postgraduate tuition fee. This is the element of tuition fee which you are personally paying yourself and does not cover the element of tuition fee which is covered by a scholarship, funding body, your employer, a company, or any another source of external funding. The Alumni Discount applies only to the tuition fee element and does not apply to any additional costs such as additional programme costs or research costs. If you are the recipient of a scholarship from the College of Arts and Social Sciences then you do not qualify for the Alumni Discount Scheme. Please note that College scholarships are always of greater value than the amount of discount provided under the Alumni Discount Scheme.
