

**Considering a career change?
Considering what to do with your degree?**

Consider Teaching!

**Come to the Secondary Teaching
Information Evening**

Wednesday 21st February 6 - 8pm

MacRobert Building, University of Aberdeen, King Street, AB24 5UA

The event is open to those interested in becoming a secondary school teacher through the Professional Graduate Diploma in Education (PGDE) route.

The programme will start at 6pm and will be hosted by Yvonne Bain (Programme Director PGDE(S)) who will talk about a career in secondary school teaching.

You will be able to chat to current PGDE students about their experiences. The evening will be rounded off with a drinks reception.

Due to a national shortage, we are particularly interested in graduates in English, Mathematics, French, Gaelic, German, Home Economics, Physics and Technological Education. Students or Graduates with these subjects in their degree are urged to consider teaching as a rewarding career.
