

found in "*the well known valuation*;" and which singular omission may be accounted for by the fact, that the commissioners who made the valuation were dead about a hundred years before I was born, and by other reasons which I do not choose to mention, will purchase this, my "*paper vote*" from Mr. Lewis Smith, bookseller, Broad Street, my only authenticated "*Commissioner of Supply*." And in this reasonable expectation I have the humility to be,

May it please your Mobility,

Your Mobility's obliged Servant,
