Form for Appeals and Complaints

Part A

To be completed by: anyone who wishes to formalise an academic appeal (including appeals against class certificate refusal [C7]) or complaint.

The University is committed to providing a high level of service at all times. The University recognises, however, that there may be occasions when members of the public or students feels that the level of service or treatment that they have received from the University has fallen short of what might reasonably be expected. It is also recognised that sometimes students may consider that they have grounds to appeal against their academic results.

This purpose of this form is to gather the relevant information to permit the University to investigate and respond to your concerns.
