

## Support Services

Student Support Services is managed by the Head of Student Support Services, Dr Lucy Foley, and consists of two areas specialising in non-academic support for students:

- the University Counselling Service,
- the Student Advice & Support Office

Dr Lucy Foley and her PA, Mrs Brenda Mackie, are located in The Hub, Elphinstone Road, Aberdeen.

There really are many people who would be pleased to help you with information and/or advice. If you have a query or a difficulty - ask somebody, before the difficulty becomes a problem [and, even if it does become a problem, it really is never too late to ask].
