

Open Days, Visits and Online Events

Open Days

The University of Aberdeen hosts an annual Open Day offering students the opportunity to visit the campus and learn more about our undergraduate opportunities. The 2011 open day will be held on 30 August.

Private Visits

We also operate an 'open door' visiting policy throughout the year. All prospective students, interested parents, teachers and careers staff are welcome to visit the University by making an appointment with the Student Recruitment & Admissions Service. We usually require two weeks notice so that we can make the necessary arrangements.

A typical visit usually begins with a short presentation about the University, then a tour of the campus with one of our current students, followed by a visit to the department(s) of interest. The tour includes our halls of residence, sports facilities, library and many more of the resources that the University has to offer. This gives visitors the opportunity to get a real feel for the campus, as well as find out more about life at the University from both students and academics.

For more information, or to book a visit, please contact the appropriate visit secretary depending on your chosen area of study:
