

**Minute of 2007 / 08 Committee Meeting #3  
held on Sunday 22 April 2007, at the Noose & Monkey, at 1 pm**

Present:

Brychan Cromwell (President)	Andy MacDonald (Vice-President)
Victoria McLean (Social Convenor)	Kirsten Anderson (Administrator)
Andrew Brebner (Administrator)	Anne Herbert (Outgoing President)
Ron Martin (Outgoing Vice-President)	

Apologies:

Brian Gunnee (Musical Director)	Iain Hingston (Director)
Kate Friday (Webmaster)	

**1. Torcher**

- ANDY is to be in charge of renting a P.A system and generator for the duration of Saturday. Hire cost will be around £40. ANNE is in charge of organizing a means of transporting these items to and from the G&S Torcher float at the start and end of the day. Van hire will be approx £25. BRYCHAN is to email society members with details of the day's activities and what participants need to bring etc.

**2. DVD**

- As BRIAN has been busy with Student Show, there has been no further progress on the sound re-recording, and this will be dealt with at a later committee meeting.

**3. Fundraising**

- A Freshers Week concert was again discussed. This too will need input from BRIAN before deciding if it is feasible.
- Bag-packing at Marks & Spencers was also discussed. ANDREW is to look into this and see if a suitable date can be found in the October to December period.

**4. Cards in welcome pack**

- ANDREW and IAIN are continuing with development of the postcards for the Freshers Welcome pack. These will be worked on in advance of the August posting of these packs, and it is hoped that if a Freshers Week concert is to be organized, details of this can also go on the postcards.

**5. Sponsor Pack**

- ANDREW has redesigned the sponsor pack and streamlined the different sponsorship levels, in the hope that this leads to an increase of interest from local companies. KIRSTEN is to research suitable companies to send the packs out to, which shall be done by the middle of June the latest. ANDREW is to get quotations for the printing of these sponsor packs, and it is hoped that the Freshers postcards will be printed as part of the same batch.

## **6. BBQ**

- ANNE's BBQ at 20 Linksfield Road is still on schedule for Friday 18<sup>th</sup> May. Once Torcher is over, BRYCHEN is to email society members about this event.

## **7. Other Social Events**

- ANDY and Kev's production of 'The Sorcerer' takes place in the first week of September. The society will look into hiring an S.A. Minibus to travel down at some point in the week to see it. Clare is to be approached as the driver of the minibus. It was suggested that another society member could take the minibus driving test so we have more than one potential driver available.
- RON again suggested a Halloween party could be booked upstairs at the Priory, and a great deal of funds could be raised by charging non-members access to the upstairs section on the night, which the venue allow.

## **8. AOCB**

- BRIAN thinks he has lost all data relating to the last academic year on his damaged hard drive, but that previous year data is backed up. He will be looking into the situation after Student Show.
- BRYCHAN is to contact BRIAN to check if we have enough 'Princess Ida' scores, or if more need to be ordered.

## **9. Date of Next Meeting**

No date for the next meeting was set. There being no other competent business, the meeting closed at 2.14 pm

*Andrew Brebner*
