The campus of Wuhan University is located in Wuhan, capital city of Hubei Province in the middle reaches of the Yangtze River. Flanked by East Lake and with a splendid integration of ever-green Luojia Hill and palatial architectural complex on its campus, Wuhan University is widely acclaimed as the most beautiful campus in China.

The history of Wuhan University can be traced back to Ziqiang Institute, which was founded in 1893 by Zhang Zhidong, the then governor of Hubei and Hunan Provinces in the late Qing Dynasty. Through ages of development, Wuhan University has now grown into a top 10 comprehensive university in Mainland China. It offers a wide range of disciplines through six faculties, namely, humanities, sciences, social sciences, information science, engineering and medical science.

Burgeoning are the international exchanges and cooperation of Wuhan University in recent years. It has established cooperative relationships with more than 415 universities and research institutes in over 45 countries and regions. Now Wuhan University is endeavoring to shape itself into a world-class comprehensive research university domestically and internationally.
Luojia International Summer Program was initiated by Wuhan University in 2006. Under the theme of “Understanding China: Past & Present”, the program has been endeavoring to provide an exchange platform for international students to get a better understanding of Wuhan University and China.

2023 Luojia International Summer program is packaged in two and half exciting weeks. Guided by a standout team of experts in their fields, you'll be able to enrich your knowledge of China through a series of lectures themed in 8 topics, including history, law, economics, diplomacy, architecture, philosophy, trans-cultural communication, and application of SAR technology along the Belt and Road. In addition, the program will organize field trips and cultural activities, which will savor your learning experience, present the beauty of China and hone your skills and capacity in intercultural communication.
