

Using the plastic spoon carefully collect a mini-beast and place it in the bug box. When you have finished looking at it return it to exactly where you found it. (Remember to put back any logs that you have moved.)

	Under a log	In the leaf litter	In the grass	On a flower	On a tree	In the air
Ant 						
Bee 						
Beetle 						
Butterfly 						
Fly 						
Grasshopper 						
Ladybird 						
Moth 						
Worm 						
Slug 						
Snail 						
Woodlouse 						
Centipede 						
Millipede
