FATIMA

AT A GLANCE

Fatima is a third year student, completing her business management degree at AFG College with the University of Aberdeen in Doha, Qatar. She found out about Pathway to Success through the Career and Internships Manager at AFG College. She was very interested once she knew she has the option to complete her activities in a hybrid mode with some being in person in Doha and others online in Aberdeen.

SKILLS

Fatima registered online and chose the following skills to develop before the end of the semester:

- communication and networking
- presenting yourself effectively
- negotiation

ACTIVITIES

To get her 75 points, Fatima signed up the following activities :

Activity	Points	Skills
Employer led workshop on negotiation (attended online)	15	Negotiation
FutureLearn: "What makes an effective presentation"	10	Presenting yourself effectively
FutureLearn: "Digital skills – social media"	10	Communication and networking

ASSESSMENT

Fatima was not able to complete her assessment and gather the 75 points by the 1st exit date in December as she was volunteering in the 2022 Fifa World Cup Logistics Committee (where she observed how officials negotiated, communicated and presented themselves in a professional environment), so she decided to continue taking the remaining workshops and complete the pathway by March.
