Aberdeen Airport - Past Present and Future
Dan will cover the history of the Airport, the Airport Masterplan, and the recent redevelopments, including the Runway Extension and Terminal Transformation projects. He will be available to answer questions on the complexities of carrying out projects in a live working airport environment.

Wednesday 19th September 2018, 17.00-19.00
Refreshments will be served from 18.30
Lecture Room MT4 Meston Building, University of Aberdeen
Followed by a reception in the Fraser Noble Social area

Over the course of his 40 year airport career Dan has held various managerial and operational roles in Motor Transport, Engineering, Finance, Customer Services and now Projects. In addition to capital investment, his current role includes responsibility for the Airport’s masterplan, ensuring that the airport’s growth is sustainable and responsible. Dan holds an MBA from Surrey University.

RSVP: Please contact Jemma Muckersie (jemma.muckersie@abdn.ac.uk) by Monday 17th September 2018 to accept your invitation to attend this event.
