Overall Comments:

Next Steps for Learning:
### Referencing
- Referencing to sources in written text
- Listing of full reference details (Bibliography)

If the submission is deficient in both of these criteria, the CAS mark will be reduced by 1.

The correct convention for Referencing/Bibliography has been used
OR
Please use the correct convention for Referencing/Bibliography. Please refer to Referencing for Education Students on WebCT.

### Literacy Concern
Please tick if appropriate

A literacy concern will be identified if it is anticipated that the standard of literacy in a submission will have implications for teaching in the classroom.

A Literacy Concern may include:
- Spelling
- Sentence construction
- Punctuation
- Appropriate Register
  - Colloquialism
  - Informal language

It is possible, in some cases, for a Literacy Concern to have been identified and for the submission to have communicated sufficient understanding for a pass to be achieved in all criteria.

Follow up support will be offered to any student identified as having a Literacy Concern.

If a literacy concern has been identified as a result of your submission, this may have implications for your future progress in the classroom. It is advised that you seek an appropriate course of action. While you remain a student additional support is available from www.abdn.ac.uk/sls
