Please complete the following steps in the order advised below, all steps must be completed for you to become fully registered.

**Steps 1 and 2 should be completed before arrival at the University of Aberdeen.**

**STEP 1**

**Electronic Registration (eReg):**
www.abdn.ac.uk/ereg

**We strongly recommend you do this before arriving at the University of Aberdeen**

eRegistration involves confirming your personal, financial and academic details and enables you to set up your username and password for your University computer and email account. Write your username and password down and store this somewhere safe. In eRegistration, once you have clicked on all the links to completed a section in full, the corresponding section of the University Shield will change from black and white to colour.

As part of eReg, you must check and confirm tuition fee details. Although exchange students do not pay tuition fees, you must still agree to the fee amount to be waived. If you do not agree to the amount shown you will not be able to complete eReg.

You may find the Step-by-Step Guide to eReg and the Frequently Asked Questions helpful. The guide is large and it is suggested that you do not print it but have it open to refer to while you complete eRegistration.
**Photo upload**
For your student ID card to be ready for your arrival, please upload a photo at www.abdn.ac.uk/photoupload/ as soon as possible. Guidance regarding photo requirements can be found on the photo upload portal. After upload, you should log back into the portal to ensure that your photo has been accepted. There will be delays in obtaining your student ID card if you do not submit a photograph on time.
