Success in Engagement with Industry

Summary of eligibility

1. Applications may be submitted by the nominee, or by their Supervisor, Director of Research or Head of School, or by the industry partner or an industry body.
2. This prize is open to all staff and postgraduate research students currently affiliated with the University of Aberdeen.
3. Applications must demonstrate that the industry engagement has had a real effect on the industry partner e.g. through the development of a new procedure, process or service.
4. Industry is defined broadly as any organisation with a mission to create economic or social impact. Note that public sector organisations are not eligible.
5. Only one entry per applicant is allowed.
6. Entries can cover engagement with one or with multiple industry partners.
7. Applicants must attach at least one letter of support from the industry partner. If engagement with more than one company has occurred, you may wish to attach letters of support from more than one partner.
8. Industry engagement which has started or finished within the last 36 months (since February 2016) is eligible for submission.
9. Staff or students whose primary role within the University is industry engagement are not eligible to apply.

Summary of terms

1. Nominations must be made using the form provided.
2. At least one letter of support from a relevant industry partner must be included with the application.
3. Nominations for the 2019 prize must be received by 5 pm on 19th April 2019.
4. The decision of the judging panel is final.
5. Short-listed applicants will be informed by 10th May 2019.
6. Applicants may be asked to contribute towards case studies for use in promoting industry engagement internally and externally. Case studies will be provided to the industry partners and confidential information will not be used in case studies.
