

## Economics, Finance and Real Estate – quick guide to resources

Janet MacKay, August 2022

QG EC001 [<https://www.abdn.ac.uk/library/documents/guides/qgrec001.pdf>]

### Online resources

**Accessing online resources** – see our [Library Guide to Accessing e-resources](#).

**Primo** – see our [Quick Guide to Primo](#). For finding and linking out to databases, sign into Primo and click on **Find Databases**.

**E-journals** (more in Primo). Examples include: Econometrica; Economic journal; Economic policy; Estates gazette; European journal of finance; Journal of property investment & finance; Macroeconomics; Microeconomics; The Economist.

### Databases (more in Primo)

[ProQuest One Business](#) (link from Primo) – see our [Quick Guide to ProQuest One Business](#).

Formerly called Business Premium Collection, One Business is the main database for accounting, management, marketing and trade. Includes the The Economist and Financial Times.

[Ebook Central](#) (link from Primo) – see our [Quick Guide to Ebook Central](#).

Contains more than 10,000 authoritative, current ebooks in full text on economics, finance, real estate and property.

[EconLit](#) (link from Primo).

Main database for Economics. Covers business, economic development and history, finance, international economics, labour, law and economics, macroeconomics, microeconomics. 1969 to current.

[EG Radius](#) (link from Primo).

Formerly called EGi, this is an important source of information on Real Estate/Property. Log into to the Library's [passwords webpage](#) and follow the link to create your own username and password. Note: please register using your University of Aberdeen email address.

[IBSS](#) – International Bibliography of the Social Sciences (link from Primo).

Indexes journal articles and books covering all aspects of economics. 1951 to current.

[JSTOR](#) (link from Primo).

Contains more than 200 journals on economics and finance (not many current parts). Also contains more than 900 economics research reports.

[OECD iLibrary](#) – Organisation for Economic Cooperation and Development (link from Primo).

Contains all publications and datasets released by the OECD from 1998 to current. Note: off campus access is via the VDI. Go to IT Services' [Toolkit](#) for more information on using and linking out to the VDI.

[Scopus](#) (link from Primo).

This is a big multi-disciplinary database, so focus your search using the Subject Area headings in the left-hand column on the results page. Click on the **Find It** button to search for full text online or Primo for a print version where available.

[SpringerLink](#) (link from Primo).

Contains more than 9,000 ebooks in full text on economics, finance, real estate and property.

[University Press Scholarship Online](#) (link from Primo).

Contains more than 1,000 ebooks in full text on economics and finance subjects.

---
