Heavy Demand

The **Heavy Demand** area is on the lower level of Taylor Library, opposite the Issue Desk. It contains:
- books on course reading lists which are likely to be heavily used; these are available for you to borrow or consult in the Library,
- a self-issue machine plus 1 MFD,
- 2 OPACs (Online Public Access Catalogues).

**Loan period**

**Heavy Demand** books may be borrowed at any time and are due back by **10.30am the next day** or on **Monday at 10.30am** if borrowed on a Friday, Saturday or Sunday.

If you have lectures between 9.00am and 10.30am, there is a box outside the Taylor Library entrance for returning books. This box remains outside the entrance whenever the Library is closed. When the Library is open, books **must** be returned to a member of staff at the **Issue Desk**.

**How the collection works**

You can:
- only take **two** Heavy Demand items out of the Library,
- borrow up to 4 items for use in the Library - **HD 3hr Ref** items are restricted to one at a time (see page 2 of this guide),
- reserve books (see Reservations section),
- photocopy material whilst abiding by the copyright law (see Library Guide [QG GEN008 Introduction to Copyright - Quick Guide](https://www.abdn.ac.uk/library/documents/guides/qggen008.pdf)),

Books from Heavy Demand may not be borrowed by external members or SCONUL readers.

**Self-issue machine**

All Heavy Demand items **must** be issued prior to use whether you are taking them home or using them anywhere in the Library.

To issue books on the self-issue machine:
1. Scan your **ID card** under the red laser in the recess, type in your **PIN** and select **Borrow**. If you do not have a PIN, ask staff at the Issue Desk to register one for you.
2. Place the book on the recess and it will be issued to your account. Please note that you can place 2 books at the same time and both will be issued to your account.
3. When you are finished you can choose to either print your receipt or have it emailed to you.

As you can only take two Heavy Demand items out of the Library, the machine will not allow you to issue the further two items which you are permitted to consult in the Library. Take these to the Issue Desk.

**Returns**

- The self-issue machine in Taylor Library **cannot** be used to return items. All Heavy Demand items must be returned to the **Issue Desk** to be taken off your record.
- **Please do not leave items issued to you on the trolleys or back on the shelves.** This could result in items remaining on your record and fines accruing.
- **Do not return Taylor Library Heavy Demand items to any other branch library.**

**Heavy Demand fines**

The fine rate for late Heavy Demand items is **£0.75** **per item per hour**, while the Library is open. Check our opening times [here](https://www.abdn.ac.uk/library/documents/guides/qggen008.pdf). If the item is so late as to be invoiced (14 days late) there will be an additional £10.00 handling charge to pay as well as the late fee, and the replacement cost of the book if it has been lost.

The fines system exists to safeguard the right of readers to equal access to important texts. You are being charged for the inconvenience caused to other readers who require the item and who may have reserved it.

Money from fines goes into Library funds to pay for books and essential services.
Reservations
You may reserve Heavy Demand items up to 3 weeks in advance. Please collect reserved items from the appropriate shelf in the Heavy Demand area.

Only one item from this collection may be consulted at a time.
