

Written consent form in-depth interviews

Study title: Experiences and perceptions among healthcare professionals and women of NIPT in Scotland

Please initial each box and complete the form by typing your name and entering the date and time of completion:

I have read or heard and understood the participant information sheet (1 or 2) version 2 (28/07/2026) about the study and have had the opportunity to discuss the details with the researchers and ask questions.

Please confirm the version number and date of the PIS document you have read/been read.

I agree for the interview to be recorded for the purpose of creating a transcript (written document of the interview).

Note: Where interviews are conducted using MS Teams, any video recording will be deleted immediately after the interview and only the audio recording and transcript retained.

I confirm that I am aged 18 years or above.

I understand that this study is part of a research project designed to increase knowledge and may not benefit me directly.

I understand that my data will only be used for the purposes of this study.

I agree to anonymised verbatim (word-for-word) quotes from the interview being used in study reports, publications, or presentations.

I understand that my data will be stored securely on University of Aberdeen systems.

I understand that I can withdraw my data up to the point of study end (April 2028) or if any of the data is published before the end of the study, after which it may not be possible to remove it.

I understand how my data will be stored, used, and protected, as described in the Participant Information Sheet.

I agree to be contacted after the interview if clarification is needed.

I hereby fully and freely give my informed consent to take part in this study.
