# Lightning Talk

# Open Research ≠ Open All Areas

Katie Wilde

Head of Digital Research

November 2022

# Stop and Think

Can I? Should I? Will I?

# Am I using Third Party Data?

- What does it say in my agreement?
- If in doubt check

# Am I using any Personal Level Data?

- Do I have consent?
- Could it lead to harm?

# GitHub

Use a Team/Group Repository

You might wish to keep your repository private until the end of the project

Use .gitignore to exclude files, that should not be uploaded

Don't share you UoA file paths in you code on GitHub

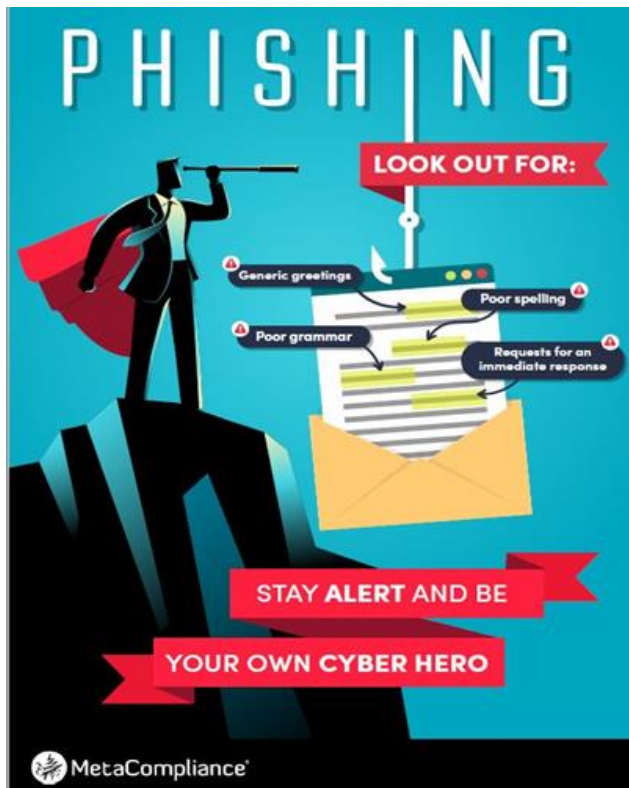

# Licence it...

Creative  
Commons

Non-profit organization
