Staff and Key Contacts

Head of Department: Dr JB Gramain, jbgramain@abdn.ac.uk, Fraser Noble 151

Director of Undergraduate Pathways: Dr Mark Grant, mark.grant@abdn.ac.uk Fraser Noble 137

School Office: Meston Building G05d, maths@abdn.ac.uk

The department's webpage, which includes a list of staff, can be found at [Mathematics | The School of Natural and Computing Sciences | The University of Aberdeen \(abdn.ac.uk\)](#)

Key Education Policies

Students are asked to make themselves familiar with the information on key University-wide policies, available [here](#). These policies are relevant to all students and will be useful to you throughout your studies. They contain important information and address issues such as what to do if you are absent, how to raise an appeal or a complaint and how the University will calculate your degree outcome.

Appeals and Complaints

These University wide education policies should be read in conjunction with this handbook, in which School specific policies are detailed.

Decolonising the Curriculum

1. At the University of Aberdeen, we are dedicated to decolonising the curriculum. Our courses reflect a commitment to diverse perspectives and a comprehensive understanding of global knowledge.
2. In line with our commitment to inclusivity and equity, the University of Aberdeen is actively engaged in the process of decolonising our curriculum. Our courses and programmes aim to emphasise a plurality of voices and perspectives.
3. At the University of Aberdeen, our courses and programmes are designed to challenge traditional narratives and incorporate a wide range of cultural and global viewpoints.
4. Decolonising the curriculum is central to our mission at the University of Aberdeen. Our courses are continually evolving to better represent a broader range of voices and experiences.
5. As part of our ongoing efforts to promote diversity and inclusivity, the University of Aberdeen is committed to decolonising our curriculum. Our courses aim to embrace the rich tapestry of human knowledge from diverse cultural contexts.
6. At the University of Aberdeen, we recognise the importance of decolonising the curriculum to create a more equitable educational environment. Our courses are designed to challenge biases and embrace global perspectives.
7. Diversity and inclusivity are fundamental to our educational ethos at the University of Aberdeen. We are actively engaged in the process of decolonising our curriculum to provide a well-rounded and equitable education for all.

Catalogue of Courses

The Catalogue of Courses can be found at <https://www.abdn.ac.uk/registry/courses/> and contains the following information, and more, for each course:

- Course Overview and Description
- Course Co-ordinator
- Course Requisites
- Assessment and Feedback
- Intended Learning Outcomes

Teaching Timetable

Once you have registered, your timetable can be found at <https://www.abdn.ac.uk/mytimetable/courses/index>

If you aren't yet registered or would like to find out if courses clash you should check <https://www.abdn.ac.uk/mist/apps/courseoverlay/>

Attendance and Monitoring Progress

You must attend classes regularly and submit coursework by the specified deadlines. The University operates a monitoring system throughout the academic year to identify students who may be experiencing difficulties with their studies and to ensure that students remain on track for their degree and satisfy the minimum attendance requirements.

If you miss **two** classes without good reason or fail to complete a continuous assessment you may be entered as C6 At Risk. Please read <https://www.abdn.ac.uk/students/academic-life/student-monitoring.php> for full information.

Absence from Class

You should submit an Absence Report (*via* your StudentHub) every time you miss a monitored class (eg lab, tutorial or practical) for good reason. You will need to provide supporting evidence if you are absent for more than 7 consecutive days.

Absence from Exams/Impaired Performance

If you believe that illness and/or other personal circumstances may have affected your performance in an examination, or you have been unable to attend an examination, you must submit details through [MyAberdeen](#) Absence Reporting **on the day of the exam and certainly no later than three days following** the date on which you were expected to appear for the exam concerned. This is as per the University's Policy and Procedure of Student Absence. The policy, linked below, contains information on when supporting evidence (e.g. medical certificates) is required.

Absence policy and further information on Impaired Performance

<https://www.abdn.ac.uk/students/academic-life/assessment-exams-3377.php#panel1957>

MyAberdeen

MyAberdeen is the University's Virtual Learning Environment where you can access learning materials and resources associated with your courses. Access at <http://www.abdn.ac.uk/myaberdeen>

A number of resources have been developed to help you make effective use of MyAberdeen. See [MyAberdeen: Students](#)

Each course will have its own MyAberdeen page containing information you need for the course. It's important you check MyAberdeen regularly.

Deadlines

Your Course Co-ordinator will notify you of submission dates at the beginning of the course. It is important that the deadlines are met for all continuous assessments.

Assessment Submission and Feedback

Some assessments will be online but for those on paper the submission boxes can be found in the Maths Department in Fraser Noble Building.

Continuous assessment *which has been handed in on time* will be returned with feedback within 2 (teaching) weeks of submission.

You should note that CGS marks for summative assessments are provisional, pending confirmation by the External Examiner.

Overall CGS marks for courses will be available in your StudentHub.

Feedback on written examinations can be obtained by making an appointment to see the relevant Course Co-ordinator once the results have been released in StudentHub.

Extensions

The University has a policy for the consideration of and, where appropriate, granting of extensions for pieces of assessment. Agreed extensions will be for the shortest reasonable time to allow the student to complete their assignment while minimising impact on their subsequent studies, and will usually **not exceed seven calendar days**.

Students should apply for extensions via the **Student Report and Request Tool on the Student Hub** or, where a student is unable to access the Student Hub, the extension request should be sent directly to the School concerned.

Please read the [Policy on Extensions and the Late Submission of Coursework](#) in full before requesting an extension.

Late Submission of Work

Late submission refers to submission of work after the published deadline without an agreed extension, and in the absence of exceptional circumstances.

Any assessed coursework that is submitted beyond the deadline, without an agreed extension, will be recorded as late and a penalty will be applied as follows:

- Up to 24 hours late, the grade will be deducted by **2 Common Grading Scale (CGS) points**;
- For each subsequent day, up to a maximum of seven days total, the grade will be deducted by a **further CGS point for each day**, or part of a day, up to a maximum of seven days late;
- Over seven days late, **a grade of G3 will be awarded**.

Further details can be found at [Policy on Late Submission of Work](#)

Marking

The University Common Grading Scale, CGS, provides a common marking scale which is used across the University. You can find full information at [Common Grading Scale \(CGS\) | Students](#)

Some courses are marked in percentage or “marks out of”. Please see appendix 1 for the Percentage to CGS conversion table used in the School.

Exams

You are strongly recommended to familiarise yourself with the format, presentation of questions, time allocation, and standard of work required by consulting past examination papers available online at: <https://www.abdn.ac.uk/library/support/exam-papers-180.php>

Term 1 course exams are held in December and Term 2 course exams are held in May. There is another opportunity in the summer for those who fail, fail to attend or are unable to attend.

Deadlines and dates can be found at <https://www.abdn.ac.uk/infohub/study/exams.php>

You should note that CGS marks for summative assessments and overall course grades are provisional, pending confirmation by the External Examiners following the May exam diet.

Academic Integrity (Plagiarism/Collusion/Cheating)

The University expects that **all students** will undertake their studies with integrity and will submit assessments that have been prepared by themselves. To do otherwise, to act dishonestly and cheat in an assessment, is classed as academic misconduct and will incur penalties.

Ensure you understand the meaning of academic misconduct, how you can avoid it and what the penalties are should you act dishonestly.

Please read the following carefully:

[Academic Integrity | Students | The University of Aberdeen \(abdn.ac.uk\)](#)

[Academic Integrity & Referencing | Digital Skills | Toolkit | The University of Aberdeen \(abdn.ac.uk\)](#)

[Code of Practice in Student Discipline \(Academic\).pdf \(abdn.ac.uk\)](#)

Degree Classification

Information on how your degree will be classified can be found at [Undergraduate Degree Classification](#)

Weighting

BSc: 50% Level 3, 50% Level 4.

Student Support

If you have a problem related to the course please speak to the lecturer or course co-ordinator in the first instance. If you feel unable to discuss the problem with them, and it affects the whole class, you can raise the issue with the Class Rep. Otherwise, you can arrange to meet with the Head of Department.

If you have personal problems please talk to your Personal Tutor or the member of staff you feel most comfortable with. If you would prefer to talk to a non-academic member of staff you can contact the Advice and Support Office.

Student Advice and Support Office

Based in the Students' Union Building, the Student Advice and Support team offers impartial and confidential advice and support on a range of issues, including finance, disability information and more. Further information at [Student Advice & Support Office | Students](#)

Class Representatives

Class representatives are elected on an annual basis. Any students registered within a course/year or programme that wishes to represent a given group of students can stand for election as a class representative. You will be informed when the elections for class representatives will take place.

You can ask your class rep at any time to bring up matters of concern with any member of staff.

What will it involve?

It will involve speaking to your fellow students about the course/year you represent. This can include any comments that they may have. You will attend a Staff-Student Liaison Committee and you should represent the views and concerns of the students within this meeting. As a representative you will also be able to contribute to the agenda. You then feed back to the students after this meeting with any actions that are being taken.

Class reps are encouraged to meet with course co-ordinators early in each half-session to introduce themselves and to ensure an effective channel of communication is established between the class and the teaching staff.

Training

Training for class representatives will be run by the Students Association. Training will take place in the fourth or fifth week of teaching each semester.

For more information about the class representative system visit <http://www.ausa.org.uk>.

Staff-Student Liaison Committees

These meet twice a year to discuss matters of joint concern. If there are any matters that you would like discussed, take the initiative and see your class rep. Minutes of the meetings are available in MyAberdeen.

Course Feedback

Towards the end of each course, you will be invited to complete a Course Feedback Form. Once completed, they are considered by the relevant course co-ordinator, Director of Undergraduate Pathways as well as the School Director of Education. Ultimately, the University will consider the points raised in all Course Feedback Forms to ensure teaching is of a high quality. The University greatly values your comments and they do help when we are working on ways to improve what we are able to offer.

Prizes

The Department offers various prizes and information can be found [here](#)

External Examiners

Dr Jonny Evans, Lancaster University
Dr Mark Powell, Glasgow University

You should note that this is for information only and under no circumstances are students allowed to contact external examiners directly.

Appendix 1 - Percentage to Common Grade Scale Conversion

% From	% To	CGS	
89.5	100	22	A1
84.5	89.4	21	A2
79.5	84.4	20	A3
74.5	79.4	19	A4
69.5	74.4	18	A5
65.5	69.4	17	B1
62.5	65.4	16	B2
59.5	62.4	15	B3
55.5	59.4	14	C1
52.5	55.4	13	C2
49.5	52.4	12	C3
