

**Working list of provosts, bailies and sergeands in the  
*Aberdeen Registers Online: 1398-1511***

Version 1.0 created in 2020 by  
Callum Judge and Sophia Nicol  
under the supervision of Jackson Armstrong

**Note 1:** The information presented here is derived from Edda Frankot, Anna Havinga, Claire Hawes, William Hepburn, Wim Peters, Jackson Armstrong, Phil Astley, Andrew Mackillop, Andrew Simpson, Adam Wyner, eds, *Aberdeen Registers Online: 1398-1511* (Aberdeen: University of Aberdeen, 2019), <<https://www.abdn.ac.uk/aro>>

**Note 2:** The days and months of the years of election may be located through the ARO references, but election dates typically fall between late September to early October.

**Note 3:** Other published lists of provosts may be found in the following volumes (unlike the present working list of officers, these other lists draw upon various sources in order to include provosts in years for which information in the ARO is wanting):

A.M. Munro, *Memorials of the aldermen, provosts, and Lord provosts of Aberdeen, 1272-1895* (1897), available at <<https://archive.org/details/memorialsofalder00munr>>

W. Kennedy, *Annals of Aberdeen* (1818), available at <<https://archive.org/details/annalsofaberdeen02kenn>>
