UNDERGRADUATE PROGRAMMES

FULL TIME TUITION FEES 2027/28 ACADEMIC YEAR

The below Tuition Fee rates apply to the 2027/28 academic year, commencing from 1 August 2027 onwards. The tuition fees given below are listed at the full-time rate. Part-time fee information can be found in the Part-time Student Fees section.

International Undergraduate students who started before 1 August 2023 will be charged at the rate applicable to their year of entry for the remainder of their programme (note, International undergraduate students on programmes that are charged on a modular basis are not eligible for fixed fees). International undergraduate students who started from 1 August 2023 onwards will be charged at the advertised tuition fee rate set for the relevant academic year.

Tuition fees for England, Wales, Northern Ireland and the Channel Islands are charged at the Rest of the UK (RUK) fee rate. Tuition fees will increase each year in line with the Government fee cap.

In line with other universities, tuition fees are subject to annual review and the University reserves the right to routinely increase these from year to year. Students undertaking modular courses should budget for an increase of between 3% and 9% per annum.

All students are encouraged to read the University Refund Policy. The Refund Policy will outline fee liability in the event a student withdraws during the academic year.

We offer a range of scholarships and funding opportunities. The funding database can identify sources of funding relevant to you.
