MAY

We run a bid.

Using the power of your voices, we make lenders compete for our business. The bigger our group, the better rates we can negotiate. New members still welcome!

JUNE

We share the deals.

We share the negotiated loan deals with you. You can review your offer and decide whether to use it – there's no commitment. We encourage you to compare rates.

BEFORE FALL SEMESTER

Receive your confirmation.

After you finalize the paperwork with your lender, your loan will disburse before the semester starts. Coordinate with your financial aid office for any questions.
