THE HEART OF SEOUL

The Center of Traditional and Youth Culture

Yonsei University, located at the heart of Seoul, South Korea, provides easy access to a wealth of traditional Korean cultural experiences. Within close proximity to campus, students can delve into the rich heritage of the Joseon Dynasty through visits to historical sites such as Deoksugung, Changdeokgung, and Gyeongbokgung, each offering insights into Korea's 500-year history. Surrounding Yonsei's campus, Sinchon buzzes with vibrant youth culture, featuring lively dancing and busking performances, where students can experience contemporary Korean youth culture firsthand.

Seoul has been ranked the No. 1 student city in the world in the QS Best Student Cities 2026.

Gwanghyewon

Founded in 1885, it is Korea's first modern Royal Hospital and the forerunner of today's Yonsei University Health System.

Underwood Memorial House

Established in remembrance of the founder of Yonsei University H.G. Underwood, it showcases the Underwood family residence as it appeared in the 1930s, displaying unpublished photos, videos, and books about Underwood's life.

Office of International Affairs

Since its establishment in 1966 as the first international office among Korean universities, the OIA has developed significant partnerships with leading universities around the world.

Global Lounge

Opened in November 2002 at Baekyangro's new underground area, it serves as a vital hub for international students, offering a wide array of support services.
