Discover  
Spanish

# Spanish

Whatever your level, you can boost your employability, advance your language skills, and enhance your cultural understanding by learning with native Spanish speakers and experts.

Improve your language skills and deepen your cultural understanding of the Spanish-speaking world with courses in Latin American and Spanish history, literature, politics, visual culture and more.

## STUDY ROUTES

- **Joint Honours Degree**

You can study Spanish and an additional subject or language

- **Sustained Studies**

You can study a language the first two years of your degree as a beginner or advanced learner

## KEY FACTS

- Spanish is the second most widely spoken language in the world with more than **500 million native speakers** across the world
- 75% of Spanish words originate from Latin (Rosetta Stone)
- 20 countries count Spanish as an official language
- We are 2nd in the UK for Student Positivity in Iberian Studies (National Student Survey 2024)
