Offer Holder Day 2025

CAMPUS MAP
INSIDE

Welcome

Welcome to the University of Aberdeen's Offer Holder Day! We're excited to show you what makes Aberdeen special and why we're a top 15 UK University*

We're exceptionally proud of our historic campus and today we want you to get a true Aberdeen experience. Throughout the morning there are a series of general information talks, including an official Welcome Talk.

There will also be an exhibition in Elphinstone Hall, allowing you to speak to various support services including Student Support, Accommodation, SAAS finance, Admissions and other University departments.

In the afternoon, our subject sessions will be taking place. This is your chance to meet the department and find out more about what it is like to study at Aberdeen through practical activities. Use the Talk Timetable to find out when your session will be held.

Our student ambassadors will be running guided campus tours throughout the day. All new students are guaranteed an offer of accommodation** so leave time to visit our Hillhead Student Village for a self-guided tour.

If you need to make your way back to the train or bus station, there will be shuttle buses going into the city centre in the afternoon. The full shuttle bus schedule is printed in this guide.
