Dive in and make an **OCTOPUS**

**YOU WILL NEED:**
- paper or cardboard
- scissors
- pens or coloured pencils
- tape/glue
- ribbons

HERE’S HOW …

**Step 1:** Fold the paper in half and draw the head of your octopus along the fold.

**Step 2:** Draw a face and colour it in. Now cut out the head with the paper still folded.

**Step 4:** Place your headband along the fold between the front and back of the head.

**Step 5:** Tape or glue both parts together.

**Step 6:** Now tie on ribbons to create 8 legs (4 on each side).
How to make a **PENGUIN** headband?

**LET’S DO IT!**

**Step 1:** Scrunch pieces of foil around your headband to make a head and 2 wings.

**FOR THE PENGUIN YOU WILL NEED SOME ALUMINIUM FOIL, PAPER AND PENS AND GLUE.**

**Step 2:** Draw the penguin’s face on a sheet of paper, make the eyes black and the beak orange. The top of the head should be heart-shaped. Cut the face out and glue it onto the foil head.

**Congrats, you are done!**
And finally, why not make a Crab headband?

**FOR THE CRAB HEADBAND YOU WILL NEED**: SOME ALUMINIUM FOIL, PAPER, PENS, GLUE OR TAPE.

**Step 1**: Fold a sheet of paper in half and draw 2 eyes along the fold. Cut the eyes out of both layers of paper and fold around the top of the headband. Glue together.

**Step 2**: Now, the pincers: Take two pieces of aluminium foil and roll them so they become long and thin. Add both pieces next to the eyes on the headband. Draw the claws on paper, cut them out then glue or tape them on the aluminium foil tips.

**Step 3**: Cut two lengths of ribbon and attach them to the sides of the headband. Congrats, you are done!
