

Composers' Forum

October to December 2020 | 17:00-18:00 UK time

All sessions will be hosted on Microsoft Teams, no Teams account required, just click the links provided below shortly before the advertised start time.

Composers' Forum is a fortnightly informal forum for all staff and students who have an interest in composition and new music, not necessarily as composers.

This winter our sessions will be led by renowned composers and performers who will discuss their work, explore compositional ideas and offer insights into the new music world.
