

## PRIVACY STATEMENT FOR PARTICIPANT PANEL

The participant panel information is held in a password protected document managed by Catherine Sutherland, the School Administration Coordinator for Research. Access to participant details is given to members of staff according to a strict procedure: researchers need a valid ethical permission from the School Ethics Committee and they also need to have completed the University's Data Protection Awareness Training.

The data controllers are Catherine Sutherland, Kaye Taylor, and Rhona Moore.

We keep the following information in our file, based on the form you submitted when joining and updated where you have communicated new information:
