LLM International Commercial Law

This degree will equip you with the necessary skills and knowledge to make you proficient in the complex modern-day international business environment. Through this degree you will engage with diverse issues arising across the business and legal spectrum and you will gain insight into specific areas of international commercial law.

Our staff are highly qualified and experienced in their respective fields of law. Drawing on this expertise, the School of Law offers a variety of specialist international commercial and trade law courses.

This part time programme is suited to law graduates, practicing lawyers, Government officials, in-house counsel, and legal and compliance officers.
