An ancient British university in Qatar
The University of Aberdeen is the fifth oldest university in the UK, dating back to 1495.

Over the past 525 years, we have proudly offered our students life-changing opportunities by proving true to our foundational purpose: ‘Open to all and dedicated to the pursuit of truth in the service of others’. Our vast experience in teaching – along with our modern, 21st century outlook – enables us to offer the same great opportunity to you today.

Our rich heritage, world leading research and teaching excellence has contributed to our associations with five Nobel Prize winners and more recently being named as a top 30 UK university by The Times and Sunday Times Good University Guide 2020. We now warmly invite you to join our Aberdeen family and become part of the next chapter in history.

AFG College with the University of Aberdeen is a unique partnership between the AI Faleh Group for Educational and Academic Services (AFG) and the University of Aberdeen which opened its doors to undergraduate students in September 2017.

Come and see for yourself
Book an appointment to meet with our Course Advisors:
• Find out how our degrees will give your career a head start
• Take a tour of our campus and see our first-class facilities
• Meet with our academic staff and students

Welcome to one of the premier cities in the Arabian Gulf. Doha is a modern and rapidly developing city, known for its historic charm and wealth.

The Corniche - a 7 km long, palm-fringed promenade and drive extends in a horseshoe shape around Doha Bay and the city’s sea front. It is lined with hotels, government buildings, manicured parks with family facilities, museums and a library. People love to stroll along the Corniche, taking in the sights of the city and the Arabian Gulf.

Travel
Hamad International Airport: Qatar’s state-of-the-art airport retains its top position as the best airport in the Middle East for the fourth consecutive year. Hamad International Airport has been ranked the 5th best airport in the world.*

City of Doha

Eat
In a city with so many international links, Doha has an array of restaurants offering both international and local cuisines. The city has welcomed many well known chains, but also provides its residents and visitors with a large choice of independent eateries.

Social
Souq Waqif is one of the most popular attractions in Doha. It houses a huge range of shops and is famous for its dried herbs, spices and incense. You will also find jewellery, tailoring, embroidery and traditional Arabic clothing shops. Old-style swords, daggers and other traditional goods are also on display.

Shops
Qatar is one of the best places in the world to go when you want to shop. It is well known for its luxurious shopping centres, where you can find designer brands, unique boutiques and all the big high street names.

The Pearl is a Venice style man-made island developed as an exclusive residential, retail and leisure environment in Doha. It occupies nearly four million square metres.

Katara Cultural Village is the largest and the most multi-dimensional cultural project of Qatar, with beautiful theatres, concert halls, exhibition galleries and cutting edge facilities. Katara aims to become a world leader for multicultural activities.

The Museum of Islamic Art is located in an imposing building set on an artificial island off Doha’s Corniche. The museum is dedicated to reflecting the full vitality and complexity of artistic output in the Islamic world.
Our facilities

We invest heavily in our facilities and learning resources, giving you access to everything you need to help you succeed.

AFG College with the University of Aberdeen is situated in Al Maamoura district.

Our campus facilities include:
- Fully equipped Learning Resource Centre with access to the extensive learning resources at Aberdeen's Sir Duncan Rice Library
- IT Suites
- Teaching and learning spaces, equipped with interactive screen technology
- Separate male and female health & fitness suites
- Prayer rooms, student service hub and a range of indoor and outdoor student break-out zones
- Fully equipped medical clinic and nurse
- Refectory operated by Linas Paris
- Live events broadcast between the Aberdeen and Doha campuses
Investing in your future for over 500 years

1923
John Mcleod (with Frederick Banting) is awarded the Nobel Prize for Medicine for the discovery of insulin in treating diabetes. He was appointed Regius Professor of Physiology in 1928.

1921
Frederick Saddy (Professor of Chemistry at University of Aberdeen from 1914-1919) is awarded the Nobel Prize for Chemistry.

1915
Nan Shepherd graduates in English Literature. She went on to become a world-renowned author. Her face would later appear on £5 notes.

1913
The Rowett Institute is founded by Sir John Boyd Orr, who goes on to win a Nobel Peace Prize in 1949.

1903
Dr Isabel Kerr graduates with a Bachelor of Science in Medicine and Bachelor of Surgery. In 1911, she opens a centre in India to help cure leprosy.

1937
George Paget Thomson, Professor of Natural Philosophy, is awarded the Nobel Prize for Physics in 1937.

1946
Reginald V. Jones becomes Chair of Natural Philosophy until 1981. He plays an important role in Britain’s defence in World War II.

1952
Richard Syngye (biochemist with Rowett) is awarded the Nobel Prize for Chemistry in 1952.

1980
Built by Professor James Hutchison and his team, the Mark 1 MRI scanner successfully scans its first patient and is the first of its kind.

1495
Bishop William Elphinstone establishes King’s College to teach arts and divinity.

1497
King’s College establishes a Chair of Medicine, the first in the English-speaking world.

1751
Thomas Reid is appointed Regent of King’s College, going on to play a key role in the Scottish Enlightenment.

1788
James McAlpine graduates. He goes on to establish a system for evacuating wounded from the battlefield.

1860
King’s College and Marischal College merge to become the University of Aberdeen.

1861
James Clerk Maxwell, who was Professor of Natural Philosophy at Marischal College, develops the world’s first colour photograph.

1882
Alexander Ogston, a Regius Professor in Surgery and goes on to introduce antiseptic surgery at Aberdeen Royal Infirmary.

1903
The Sir Duncan Rice Library is officially opened by The Queen.

2012
University of Aberdeen opens international campus in Qatar.

2017
University of Aberdeen wins Scottish University of the Year Award.

2019
Celebrating 525 Years 1495 – 2020

2020
Celebrating 525 Years!
We are planning to expand the campus to include additional undergraduate and postgraduate programmes, including STEM (Science, Technology, Engineering and Mathematics) subjects.

**Entry requirements**
The entry requirements are the minimum standards and subjects required for entry into our degree programmes, and achieving these does not guarantee entry. You will find them alongside each degree in this prospectus.

**Courses and credits**
All of our degree programmes consist of courses (modules) at four levels 1 – 4.

**Honours**
Admission to the honours part of the degree is conditional on performance in the first two years, but most students who want to progress to honours do so.

**Flexible entry and exit**
If you have very good qualifications you can be admitted to the second year of study, enabling you to complete an honours degree in three years. In some cases, it is possible to enter the third year of a degree programme.

We understand the importance of recognising successful study, and know that students can find themselves in a position where they need to take a break from their studies for whatever reason.
Opportunity to study in Aberdeen

Undergraduate students enrolled at AFG College with the University of Aberdeen can spend a semester at the University of Aberdeen.

Spending time abroad offers the opportunity to experience life in an exciting new culture. It also offers a new perspective on your university subjects, giving you a broader understanding of academia.

The University has welcomed visiting students for over four decades and has a dedicated team to assist students through the entire process, from the initial application through to registering for classes and orientation. AFG College students are guaranteed a place in student accommodation for the duration of their studies, as long as they apply by the stated deadline.

AFG College with the University of Aberdeen also welcomes exchange students from Aberdeen, who wish to spend a semester in Doha.
Careers and employability

We support your career and skills development throughout your time at University and beyond.

Explore your options
You can make informed career choices and gain insights into job options by connecting with our careers team and exploring online courses and resources.

Develop your skills
You will gain the attributes employers are looking for throughout your degree programme. Alongside your studies you can develop your skills and experiences through a range of employability programmes, mentoring and work experience initiatives.

Connect with employers
There are many opportunities to connect with our regional, national and international employer partners and alumni networks via your courses and a wide range of fairs and networking events.

Manahil Zulfiqar,
Accountancy and Finance
Undergraduate – 3rd Year student

“Over the summer break I worked at Snoouq as a Financial Investment and Legal Corporate Intern. As part of my internship, I drafted and reviewed contracts, consolidated assets and investments, and provided assistance with finance related tasks.

“This internship was a great learning experience for me as it provided exposure to some of the best in-country industry practices as well as giving me the opportunity to expand my social and professional network by connecting with industry players. I believe that internship experiences like this play an essential role in preparing graduates for meaningful career futures after graduation and I am thankful to the University and Snoouq for providing me with this opportunity.”

Habiba Abdelgoli, Accountancy and Finance Undergraduate – 3rd Year student

“Covid-19 has affected the productivity of individuals differently so it is vital for students to maintain a positive outlook during this time of great uncertainty. APC College and The University of Aberdeen has developed an incredible careers and employability team that has helped many students to think beyond Covid-19 and focus on future career development by sharing online webinars and updates on job opportunities.

“A few of my university colleagues and I applied to one of the internships programmes on offer by Al Emadi Enterprises and I was afforded an opportunity to work on the ONEMAROON project with ALHAZM. This is an e-commerce project that offered candidates two opportunities as either an Operations Management Intern or Digital Marketing Intern. Throughout the programme I gained experience with frameworks and techniques that were used and applied to model development. It was fantastic opportunity to be able to put my academic studies into a real-life experience and I encourage all students to be part of the wonderful internship programmes the University offers.”

Connect with employers and work-based learning
Student Support

Right from the start, we aim to make sure that you have access to all the support you need. Our student support team is a group of people who can give you friendly, expert information and advice.

Support with your academic choices
On arrival at the University you will be allocated a Personal Tutor, who will meet you during induction week and welcome you to the University. Your Personal Tutor can provide general support to you throughout your studies and will be a point of contact for any queries you have as a student. They will often be the first person you turn to if you encounter difficulties.

www.abdn.ac.uk/infohub

The Student Services Hub is here for all students
It offers you tips, advice, information and links to University services and external organisations to stay socially aware, healthy and secure during your studies.

cluedup.abdn.ac.uk

Academic support
In addition to the College’s on campus facilities in Doha, students enjoy access to the University of Aberdeen’s online learning portal and library services.

Looking after your health
The campus has a medical clinic offering first aid and treatment for any emergencies and advice on health and wellbeing matters.

Student support services
Located on the upper floor of Lord Boyd Orr House, the Student Services team provides a wide range of support and information services.

- Student Support Advisers provide free, confidential, independent and non-judgmental advice to students on a range of issues.

studenthub@afg-aberdeen.edu.qa

- A Wellbeing and Disability Adviser offers information, advice and support for students and applicants with physical and mobility difficulties, visual impairments, hearing impairments, medical conditions, specific learning differences such as dyslexia, mental health conditions, and autism spectrum disorders such as Asperger syndrome.

- A Student Counselling Service is also available.

Our obligations and yours
The University has a student charter that sets out the responsibilities of the University and of students and gives details of various University policies and procedures. As a condition of enrolment in the University, all students are required to abide by the University’s Code of Practice on Student Discipline, as amended from time to time.

www.abdn.ac.uk/infohub/study/student-discipline
Message from your students association

The Aberdeen University Students’ Association (AUSA) aims to represent the vibrant student community at the University. We strive to create an influential student community by listening to our members and changing to adapt to their needs. We think student life is better together, which is why we run events, clubs, societies and sport to bring everyone closer.

Where we are?
AUSA is based at The Hub in Old Aberdeen, but AUSA staff will attend students’ induction week in Doha and there will be a Qatar Student President as well as Qatar student membership of AUSA committees.

Getting the student voice heard
We want you to get the best out of university life and encourage our members to speak up. We represent them to encourage positive change at the University. We also campaign on issues that benefit our members and reflect their concerns.

Class Reps are elected student volunteers chosen by their fellow students who function as a vital link between staff and students, fostering and maintaining open dialogue to improve students’ learning experience. AUSA offers online training and additional workshops for all Class Reps to ensure that you can become a successful Rep and develop transferable skills.

Sports, clubs, societies and events
Clubs and societies are a massive part of student life. There are already a number of societies and clubs in the Qatar campus – Entrepreneur, chess club, debate club, sports club and arts society. Students are encouraged and supported to develop any society or club that they are interested in.

Volunteering
Volunteering with AUSA is an excellent way of widening your student and personal development experience. It helps you to build professional skills and opens doors to new opportunities. It’s easy to get involved, whether you have one free hour or hundreds. AUSA runs volunteering programmes to support anything from sport, local charities to events.
With scholarships and bursary schemes available, professionally accredited degrees and enhanced study options, we have everything in place to help you get the most out of your time here.
Scholarships and bursaries

AFG College with the University of Aberdeen is committed to attracting the very best students, regardless of financial circumstances.

Students from Qatar
If you are a Qatari national, then you can benefit from the scholarship programmes pertaining to private offices and governmental entities.

The Scholarship programme comes as part of the Qatarization initiative whereby a company or government office may hire you and pay your tuition fees and provide you with a monthly allowance.

Once you receive your offer letter from AFG College with the University of Aberdeen, you can begin your search for possible sponsoring companies.

If you are a Qatari student who is already employed, speak to your HR department to find out whether the scholarship programme is available to you.

These scholarships are designed to provide assistance to help students support themselves during their study period. Tuition fee payments should be made by the employer in line with our tuition fees policy.

Qatari students who are not sponsored can benefit from our payment facilities schemes, which are offered to all students, regardless of nationality.

Non Qatari Students
International students who are not sponsored benefit from flexible payment plans whereby the annual tuition fee is divided into six yearly instalments. These instalments are scheduled when the student enrols.

in touch
Agreements and Partnerships

Moving from College to University
We welcome applications from candidates currently studying at college. Students studying for Foundation courses will be considered for entry to our degree programmes. Students with diploma qualifications may be considered for advanced entry in comparable degree programmes.

The University of Aberdeen has an articulation agreement with the College of the North Atlantic – Qatar (CNAQ), University Foundation College (UFC) and Academic Bridge Program (ABP) to enable students to enter programmes of study at the University of Aberdeen in either Aberdeen or Qatar.

Visit us
We encourage all students who are considering continuing their education at the University of Aberdeen to visit us. We run a series of Open Days, Offer Holder Days (for students who have applied to us and are holding an offer of admission) and campus visits. All are aimed at providing students with the necessary information and knowledge to move smoothly into university study.
HOW TO APPLY

01
Choose your degree
Check out the programme section in this prospectus.
www.abdn.ac.uk/qatar

02
Check the entry requirements
Entrance requirements vary depending on the degree.
Check out the programme section for details.

03
How to apply
Come and speak to one of our Course Advisers on campus, or send your enquiry to info@afg-aberdeen.edu.qa

04
Complete your application in person or online
Provide certificates of your academic achievements and, if required, English language qualifications.
https://www.abdn.ac.uk/qatar/apply/index.php

05
Receive a decision from us
We aim to let you know our decision on your application as soon as possible.

06
Attend our Offer Holder Day
The Offer Holder Day is an invitation-only event for those who currently hold an offer with the University of Aberdeen. Even if you have previously visited the campus, we would encourage you to attend this exclusive event to support you as you make your final preparations for university. You can speak directly to academics in the relevant departments, take a tour of the campus and facilities and talk to our students.

07
Confirm your acceptance of our offer
Pay the registration fee.

08
Your exams
For those still sitting exams: good luck!

09
Results day
Once you receive your results, please send them to us in person or email and we will confirm your place if all conditions are met.
MA(Hons) Accountancy and Finance

Accountancy and Finance is a great combination of subjects to help you prepare for a stellar career in international finance, business, politics, media or many other sectors.

Accountancy at Aberdeen gives you a thorough grounding in theory, practice and business skills, taught by experts in accounting practice, with the advantage of real-life employers and scenarios integrated into your programme. You will gain a path to professional accreditation, and the skills, experience and attributes to give you a head start whether you aim for chartered accountancy or another option in the fast-moving world of business and finance.

Finance at Aberdeen gives you a powerful understanding of the principles of finance in a fast-moving global setting, and the business skills to take advantage of the many opportunities available to sought-after Aberdeen graduates across the business and public sector. This number of opportunities is expected to grow further with the increasing number of innovations in the financial world.

MA(Hons) Business Management and International Relations

This programme will improve your understanding of how organisations, states and governments interact against a constantly changing global and economic scene. This programme will also give you an added international dimension to your excellent career prospects.

In Business Management, you will gain a wide perspective and thorough grounding in all areas of business, including skills in accountancy and statistics.

International Relations will set this in the context of our fast-moving world, as you study how organisations work, how states interact, what creates global wealth and poverty and why we have inequality, and the ever-present concerns of conflict and peace.

Why choose Aberdeen?

- 1st best UK university for Business and Management (The Complete University Guide 2021)
- UK top three University for the impact of the world-leading research being done by our academics in business and management (Times Higher Education REF rankings by subject 2014)
- A Business Management programme which perfectly balances theory and practical work, with strong links to local and global businesses giving you cutting-edge insights into the subject

# BSc(Hons) Business Management and Information Systems

This degree brings together a solid grounding in business, people and organisations with in-depth study of how organisations of all sizes and in all sectors use information systems and technology as vital tools for business success.

In Business Management you will gain a wide perspective and thorough grounding in all areas of business, including skills in accountancy and statistics.

The Information Systems element utilises the strength of our computing science expertise to add hands-on skills in computing to business management and accounting classes.

## Why choose Aberdeen?

- Study at a top UK university for Business and Management (11th) in the most recent major league tables (The Complete University Guide 2021)
- In Business Management you will gain a wide perspective and thorough grounding in all areas of business, including skills in accountancy and statistics
- In your third year you will tackle a year-long software engineering project, working as part of a team, to develop a major software system from initial analysis to final delivery, emphasising teamwork as strongly as technical skills. In your final year you will tackle an individual project, on a real-life scenario which may involve a local company
