QATAR POSTGRADUATE PROGRAMMES 2021 - 2022

CELEBRATING 525 YEARS 1495 – 2020
“I am currently studying on the University of Aberdeen MBA Programme at the AFG College with the University of Aberdeen campus here in Doha. I chose this MBA because of the excellent reputation of the University of Aberdeen and because of the flexible way in which the programme is delivered. I believe that the study programme, which incorporates a mix of team and individual work, has proved useful in terms of my learning and has also given me the opportunity to work with fellow students from a wide range of organisations here in Qatar.”

Sultan Hassan Al-Malki
MBA Student
The University of Aberdeen is the fifth oldest university in the UK but we have an outlook that is truly twenty-first century. We are ranked in the world’s top 200 universities, with a reputation for world leading research which attracts outstanding students and academics. Over the last 500 years we have been associated with five Nobel Prize winners. We are proud to be the first UK university to operate on a dedicated campus in Qatar.

Welcome to DOHA
One of the premier cities in the Arabian Gulf

EAT
In a city with so many international links, Doha has an array of restaurants offering both international and local cuisines. The city has welcomed many well-known chains, but also provides its residents and visitors with a large choice of independent eateries.

SHOPS
Qatar is one of the best places in the world to go when you want to shop. It is well known for its luxurious shopping centres, where you can find designer brands, unique boutiques and all the big high street names.

SOCIAL
Souq Waqif is one of the most popular attractions in Doha. It houses a huge range of shops and is famous for its dried herbs, spices and incense. You will also find jewellery, tailoring, embroidery and traditional Arabic clothing shops. Old-style swords, daggers and other traditional goods are also on display.

The Museum of Islamic Art is located in an imposing building set on an artificial island off Doha’s Corniche. The museum is dedicated to reflecting the full vitality and complexity of artistic output in the Islamic world.

TRAVEL
Hamad International Airport: Qatar’s state-of-the-art airport retains its top position as the best airport in the Middle East for the fourth consecutive year. Hamad International Airport has been ranked the 5th best airport in the world.

The Pearl is a Riviera style man-made island developed as an exclusive residential, retail and leisure environment in Doha. It occupies nearly four million square metres.

Katara Cultural Village is the largest and the most multidimensional cultural project of Qatar. It is a place where people come together to experience the cultures of the world. With beautiful theatres, concert halls, exhibition galleries and cutting-edge facilities, Katara aims to become a world leader for multicultural activities.

The Corniche – a 7km long, palm-fringed promenade and drive that extends in a horseshoe shape around Doha Bay and the city’s sea-front. It is lined with hotels, government buildings, manicured parks with family facilities, museums and a library. People love to stroll along the Corniche, taking in the sights of the city and the Arabian Gulf.
Be inspired by our facilities

We invest heavily in our facilities and learning resources, giving you access to everything you need to help you succeed.

OUR CAMPUS FACILITIES INCLUDE:

- Fully equipped Learning Resource Centre with access to the extensive learning resources at Aberdeen’s Sir Duncan Rice Library
- IT Suites
- Teaching and learning spaces, equipped with interactive screen technology
- Separate male and female health & fitness suites

- Prayer rooms, student service hub and a range of indoor and outdoor student break out zones

DESCRIPTION OF PROGRAMME
The most popular professional degree programme in the world, the MBA is a globally-recognised qualification designed to develop your leadership skills, underpinned by practical and theoretical knowledge. It offers you the opportunity to formally recognise your business expertise and take you to a higher level in terms of career progression, earning potential and job satisfaction. In short, completing our MBA will ensure that you have the credentials required to compete against the best.

Although the programme is aimed at working professionals, with significant business experience, there is still a lot to learn. We will explore both the practical and theoretical aspects of business, broadening and deepening your knowledge and focusing on powerful business insights - many of them newly emerging business models that will shape tomorrow.

The MBA programme consists of a stimulating mix of lectures, tutorials, seminars, case studies, fieldwork and business simulations, which are further supported by on-line forums and additional learning materials. All modules are assessed entirely by coursework - there are no exams - so you will be required to produce reports, briefing notes, presentations and reflective journals. Together, these will build up into a personalised portfolio of experience - tangible proof that you've acquired key business skills and knowledge is something that prospective employers find very useful.

DURATION OF PROGRAMME
Full time over 12 months or part-time over 24 months. Entry intake: September and January.

ENTRY REQUIREMENTS
Open to graduates from any discipline, this programme does not require business or management study to have been completed at undergraduate level.

This programme is for you if you have a minimum of two years post-degree work experience; a track record of professional achievement and a good first degree (equivalent to a British second-class Honours degree) or above.

The Programme Leader may also consider applicants with non-standard qualifications. If you have non-standard qualifications and extensive work experience, please ensure to enclose a complete CV and detailed work references with your application.

“One of the reasons I chose to enrol on to the MSc in International Business Management at the University of Aberdeen was the way the programme is delivered. The Block Teaching Method really suits me as it allows me to focus on one topic at a time and put my best efforts into each course.

For each course, academics from around the world travel to Doha and deliver their teaching, making it a most enjoyable experience. This Masters allowed me to understand both the practical and theoretical concepts of management that will allow me to become an effective practitioner in the world of work.”
