INDEPENDENT ELECTORS

OF THE

COUNTY OF ABERDEEN.

Various circumstances have prevented many of the Friends and Supporters of Sir THOMAS BURNETT from Polling this day. In the Aberdeen District this has been the case with the Voters on Echt, Skene, Culter, and other Estates. In the out-districts the same has happened, although from different causes. In some Parishes, this has been the Fast-day, when no business is done.

There are plenty of Liberal Voters yet unpolled, to carry Sir THOMAS BURNETT'S Election by a triumphant majority. These will be early at the Poll To-morrow morning, and will speedily turn the tables against the Tory Candidate. At some Stations it is known he has polled almost his last man, while, as at Aberdeen, a great number of Sir Thomas' Voters have yet to Poll.

ELECTORS!! Take no heed of threats—think and act for yourselves. For this your Votes were given you, and not to be bestowed at the dictation of others.

ELECTORS!! Redeem your promises. Come early to the Poll To-morrow Morning. Vote for

SIR THOMAS BURNETT, the farmer's friend; and of our Queen & Country.

Sir

omas Burnett's Committee Rooms,
ABERDEEN HOTEL.
