

WONDERFUL!

WONDERFUL!

Great Attraction!

FEATS OF

LEGERDEMAIN

Under the distinguished Patronage of the Non-Intrusion Clergy.

SIGNOR BANNERMANNO,

FROM THE ROYAL HOSPITAL OF GREENWICH,

Has the honour to announce that he will repeat this Day, and on MONDAY, his hitherto unparalleled

Slight-of-hand Performances.

AMONG OTHER EXTRAORDINARY

ILLUSIONS,

DECEPTIONS,

AND

TERGIVERSATIONS,

THE SIGNOR WILL PERFORM THE FOLLOWING ADMIRABLE

TRICKS.

I.

The Signor will convert a PAMPERED PENSIONER and a HIRELING PLACE-MAN into a DISINTERESTED PATRIOT and an INDEPENDENT MEMBER OF PARLIAMENT!

II.

He will, to the delight and astonishment of the Spectators, repeatedly, in the course of his performances, TURN HIS BACK UPON HIMSELF!!

III.

He will show the most effectual manner of keeping out a TORY from any Pension or Place, BY TAKING IT HIMSELF!!!

IV.

The Signor will perform the hitherto unaccomplished Trick of SHOWING TWO FACES UNDER ONE HOOD, and of SUSTAINING TWO DISTINCT CHARACTERS AT THE SAME TIME. He will so completely metamorphose himself, that all pious Non-Intrusionists shall devoutly believe that he is the Reverend Dr. Daniel Dewar, in a new Suit of Clothes—while, at the very same instant, all Moderates will be ready to take oath that the Signor is no other than the Reverend Mr. Pirie of Dyce, without his Spectacles!!!!

V.

The Signor will accomplish the Trick of the celebrated Middlesex Artist Signor Guiseppe Humi, of making BLACK appear WHITE, and *vice versa*, as required!!!!

THE WHOLE TO CONCLUDE WITH THE ADMIRABLE TRICK OF

The Pea & Thimble,

Which the Signor has practised with so much success, under these distinguished Artists, Signors Melborni, Russelli, &c.

After the performances are finished, Signor BANNERMANNO will give Lessons in of art of PACKING PUBLIC ROOMS—of HUMBUGGING DEPUTATIONS—S GULLING MEETINGS OF ELECTORS—and of GETTING CONFEDERATE TO ASK QUESTIONS, all of which will be answered equally to the delight and astonishment of the hearers!

N. B.—The Signor will be glad, at his Private Rooms, in Union Street, to give INSTRUCTIONS IN THE ART OF ANSWERING QUESTIONS, in the most distinct manner, "YEA" or "NAY;" while, at the same time, nobody shall be a bit the wiser for the Answer.

Signor BANNERMANNO will be supported by his Assistant, Signor JACOBO ADAMI, who has been especially retained for this occasion, and who will repeatedly, during the performances, TURN HIS COAT, in the most surprising manner, and show that he has still the RIGHT SIDE OUTWARDS. At the conclusion of the performances, Signor ADAMI will, along with Signor LUDOVICO CROMBI, perform the celebrated

PAS DES DEUX OF JIM CROW,

AND SING THE POPULAR DUET OF

"Gin the Kirk would let me be."

July 3, 1841.
