PART-TIME ROUTE

This route will run over two years minimum. Candidates can take up to 120 credit points in an academic year.

Candidates must take a minimum of 120 credit points of courses including all the compulsory courses and a selection of the elective courses in stages 1 and 2 (listed above) plus the 60 credit research project.

EV5006 Core Skills for Environmental Sciences must be taken in Year 1.

SS5807 Land Use and the Changing Environment must be taken in Year 2.

EV5902 Project in Environmental Science must be registered for in Year 2. However the work for Project in Environmental Science may be split between Years 1 and 2.

Part-time students must consult with the Programme Coordinator before registering for courses.

Assessment: By a combination of (1) assignments as prescribed for each course, and (2) two dissertations covering the two research projects. MRes and Diploma candidates are usually required to attend an oral examination.
