

LEADERSHIP IN PROFESSIONAL CONTEXTS (JANUARY START) (MSc/PgDip/PgCert)
65XJLCB1/65XJILCX/65XJLCVZ

Duration: 12 months full time or 36 months part time (MSc); 9 months full time or 18 months part time (PgDip); 4 months full time or 12 months part time (PgCert).

Aims: For aspiring and existing leaders in various professional settings, the programme will provide a framework for leadership development which takes account of the circumstances generated by changes in social and economic conditions, and by government and local authority policies.

Participants will:

- extend their knowledge and understanding of leadership and management theory
- engage in critical reflection on their own practice by analysing critically evidence and arguments to support professional judgements in complex and sometimes ambiguous situations
- enhance their skills to lead improvement in professional contexts (including education, social services, nursing, other caring agencies and other public/voluntary sector organisations)
- frame enquiries into practice to make an informed contribution to current professional debates
- work towards, and demonstrate competence against a range of professional standards (where these apply)

By providing a flexible programme of modules, the programme will:

- show how research generates different perspectives on professional knowledge
- enable participants to gain a deeper understanding of a range of theoretical approaches to leadership and how these can be applied to improve professional practice
- facilitate the generation, leading and evaluation of change solutions in a variety of practice settings

Content: The programme is comprised of:
