Tuesday 5 to Thursday 7 January 2016

Deep Listening

An opportunity at the beginning of the new year to listen to God, self, and others, and to reflect on our own practices.

The Retreat will be led by Robin and Marianne Anker-Petersen who have headed up a listening ministry for Acorn Christian Healing Foundation in Scotland for a number of years.

Listening is at the very heart of the ministry of The Bield at Blackruthven, a retreat centre founded by the Anker-Petersens in 1997.

Robin is ordained in the Scottish Episcopal Church and Marianne has a background in counselling, and both are trained in Spiritual companionship and guidance.

Cost £195
