Saturday 4th February 2017 - 'The Church of God'
Saturday 4th March 2017 - 'One, Holy, Catholic, and Apostolic Church'
Saturday 1st April 2017 - 'On Being the Church'

What does it mean to 'believe the Church' - One, Holy, Catholic, Apostolic? What is the Church, as established by God and as an entity in the world's history? How should its life, order and mission be thought of - and how should they be lived? In this series of classes Professor Ivor Davidson will consider the nature and calling of believers as the people of God in the world, and reflect on something of the wonder of what is purposed by God in and through their corporate existence for the future of all things.
