Books to purchase for CE3088/4088 ‘Tales of Vengeance and Enchantment’

Set readings for the seminars in this course will include the following texts which you should purchase in hard copy (not Kindle editions) in the following translations, all available as paperbacks in Blackwells:

Gantz, Jeffrey, tr., *Early Irish Myths and Sagas* (Penguin Classics, 1983) ISBN 978-0140443974 (NB don’t read the introduction)

Please do not purchase different translations, as we need all students to be able to find passages with the same page-numbers in seminars.

Other recommended readings will be listed on the course guide, topic by topic.
