This section consists of wills and related papers for both clergy and laity. They were found, in bundles, arranged chronologically. Under sections consisting of donations etc to the general mission, donations etc to particular missions. For ease of use I have rearranged the documents, maintaining the strict chronological order, but grouping clergy and laity separately. I have, however, included under the "clergy" section, any legacies of outstanding significance such as the foundation of the Scots College, Madrid.

CLERICAL LEGACIES & THOSE OF OUTSTANDING SIGNIFICANCE.

24
