Project SEARCH Christmas lunch
on Friday 18th of December
at Buckie Farm

The Interns and staff of Project Search, went to the Buckie Farm in Bridge of Don for their Christmas lunch. Everyone enjoyed a carvery lunch of their choice. We ended our year on a high before our Christmas/New Year break. The Interns also surprised Andrew and Catriona with presents and a card.
Name: Zach Hale  
Reasons (from other Interns): I believe he has became quite sociable with all of us and has really came out of his shell. I feel he has been challenged more than the others. He goes to his internship earlier than others and doesn't complain about it and when he comes back from lunch and he is always helpful and he now opens up more. He appears to be more confident because recently he asked his internship for extra tasks to do which takes a lot of confidence in some people. He helps others when they struggle with things.

What's happening Next Month:
Skills Development Scotland Visit: Friday 8th Jan
Interview workshop with Eden Scott: Friday 8th Jan and Friday 15th Jan.
