Super proud of the interns for the fantastic Quiz Night fundraiser, they successfully held on 6th of February. They raised over £350 for Project SEARCH and Jack McBride did a fantastic job as Quiz master.

Well done as well to the winners of the quiz, Team Inspire. The runners up were the Scrambled Egg Head's from North East Scotland College.

Finally, thank you to everyone who came along and supported us to make it such a fabulous night.

On Wednesday 12th of February, we held an open day for Project SEARCH applicants. Kieran did a presentation on his Project SEARCH Journey to the Candidates and families for his Boy’s Brigade Queen’s Badge.

Later on the candidates and their families were put into 3 groups for tours around parts of the university.

**The Red Group:** was taking by Jack, Michael and Andrew

**The Blue Group:** was taking by Duncan, Ryan and Kevin

**And The Purple Group:** was taking by Kieran, Craig and Kelly

Then Kelly did a presentation on how to fill out the application so the candidates and their families if they required an application form could pick them up before they left.
