Kelly and Alastair’s Leaving Party

Project SEARCH and Inspire gather together to say goodbye to Kelly and Alastair {who was a member of Project SEARCH's steering group} on Friday 13th of March at the old school house.
Interview Day for Project SEARCH
2015 – 16 March 25th

It was a busy day for 23 candidates that attended on the day, in the morning they had their own interviews by Andrew and Heather or Kevin and Kat. After lunch they did Group activities such as faces or tower building. Finishing off with a tour, we would also like to thank Jack McBride and George for their help on the day.
Intern Of the Month is:

Duncan because he is Kind to others around him and his classmates feel that he has done a good job at his internship at ASV
Business Engagement Event: Meet the Interns

Project SEARCH Classroom
King’s Pavilion
University of Aberdeen

RSVP to Mrs Heather Crabb, University of Aberdeen, Email: h.crabb@abdn.ac.uk,
Telephone: 01224 272404
7 March 2014

Dear Friends and Quizzers,

The Stonehaven SuperQuiz Challenge 2015 – Stonehaven Town Hall - Friday 3 April

The Stonehaven SuperQuiz 2015 will take place on 3 April 2015! Quizzers across the area should set that date firmly in their diaries for what will prove to be another fun night of quizzing and entertainment at Stonehaven Town Hall. Having previously raised money for the British Heart Foundation, Stonehaven Rotary Club, and Mercy Ships, the money raised by the Stonehaven SuperQuiz 2015 will go to support the work Project SEARCH – an organisation that successfully prepares young adults with a learning disability to take on real employment.

Project SEARCH is a collaborative project between the University of Aberdeen, Aberdeen-based charity Inspire and North East Scotland College. The three partners were selected to carry out the project by the Scottish Consortium for Learning Disability (SCLD) which oversees the initiative in Scotland. The programme is also supported by Aberdeen City Council and Aberdeenshire Council who have funded some of the programme’s resources.

Each one-year programme takes 12 young people with a learning disability (interns) and registers them as students with North East Scotland College. They spend a month in a classroom environment before embarking on a rotation of 3 work placements in various roles and departments within the University. Following the completion of the first course, 11 of the 12 interns have secured employment, with two of the Interns being appointed to posts within the University. Project SEARCH would like to expand locally and needs funds to do so.

So that is this year’s fantastic cause. As last year, we want to have 20 teams of six players all competing for the title of Stonehaven SuperQuiz Champions 2015. The quizzers at the Belvedere hotel have contributed towards a trophy where the winners will have their team name recorded and there is also a cash prize. Doors will open at 7.30pm with the quiz starting at 8.00pm

Once again there will be a number of different rounds including - general knowledge, trivia, music and pictures. The aim is to have a fun evening. We will supply a bar and music on the night for your entertainment. And there will be the obligatory raffle for major and minor prizes (any donations gratefully received…)

There is already interest from a number of teams - so if you are up for the challenge, come and test your little grey cells – all for fun and a good cause.

The cost is £30 per team of up to six players. Please contact Martin or Fiona Kasprowicz at the email or telephone number at the foot of the page, with:

- Your team name.
- A contact name and telephone number, and

Many thanks for your interest.
Yours sincerely,

Martin Kasprowicz

PS The Super Quiz Challenge can be used by other organisations in future years. If you want your organisation to be included please contact Martin Kasprowicz at, 6 Slug Road, Stonehaven - Tel 01569-766151 or e-mail mkasprowicz@talktalk.net
