Lunch will be provided at both events.

We will be sharing information for events including:

- **EXPLORATHON European Researchers’ Night Scotland.** Friday 27 and Saturday 28 September. Bring your research to the public in unexpected ways (such as stand-up comedy) and in novel places (such as shopping centres).

- **The Festival of Social Science.** Saturday 2 to Saturday 9 November. The Economic and Social Research Council funded festival will return with opportunities to present your research across the city and region.

- **Doors Open Day.** Saturday 7 September, last year we welcomed over 4000 visitors to both Old Aberdeen and Foresterhill. We will have a number of buildings open so there are lots of opportunities for engagement.

- **Cell Block Science – Family Fun Day.** October – as part of our ground breaking project to bring our research to prisoners in HMP Grampian we will host a discovery day for prisoners and their families.

PLEASE EMAIL peru@abdn.ac.uk FOR FURTHER INFORMATION OR IF YOU WOULD LIKE TO KNOW MORE BUT CAN’T MAKE THESE DATES.
