

Researchfish Reporting Period 2019

Just one week left to complete your Researchfish reporting period. If you are a Principal Investigator (PI), of an UKRI, CSO, NIHR or medical charities grant, your funder will have been contacting you regarding the annual return. Research students, funded by UK Research Councils, should also have been contacted about their Researchfish submission. The 2019 Submission Period, will end on **14 March 2019**. Compliance with Researchfish reporting is compulsory under the terms and conditions of funding, where PIs fail to complete their return within the deadline, funders may impose sanctions on individuals. Further information and FAQs can be found on our webpages

<https://www.abdn.ac.uk/staffnet/research/researchfish-3001.php>. If you have not received an email from your funder, please check your clutter or junk mail folders.
