Keeping you informed

This month we’re taking a look at how we measure the performance of our investments, one year of the USS Investment Builder and why investment performance matters to our members.

New: the annual allowance modeller ›

Use this modeller if you need to calculate an estimate of the annual allowance used up by your USS benefits over the 2017/18 and 2018/19 tax years.

New to My USS: My Documents ›

Former members of the Final Salary section can now view closure statements in My USS. More information here.

The USS valuation ›

We’re committed to keeping you updated throughout the valuation. More information including a series of videos is available on our website.

Scheme Pays: If you think you may be impacted by the annual allowance and would like to know more about your options in USS, please refer to our annual allowance factsheet and Scheme Pays factsheet.
