

Adding Activities to Pure

Template: Industry Engagement, Consultancy, Spinouts, CPD and Licensing.

Activities Covered:

- Consultancy
- Industry engagement
- Spinouts and Licensing
- Provision of CPD activity
- Undertaking CPD activity

Information required:

Activity information

Industry Engagement, Consultancy, Spinouts, CPD and Licensing for *

Event
 Organisational unit
 External organisation

Search for the related event, internal organisation unit, or external organisation, by clicking on the appropriate icon. If the relevant details are not returned in the search box, select 'create new' to add the required event or organisation.

Title *

Add a title which describes the activity undertaken

Activity

Briefly outline your role in the event or activity.

Description

Add a short description that details the activity undertaken. For example, you could include details of the type of engagement, or details of the spinout company, or you could highlight any intended outcomes (product development, process refinement, updating practitioners' skills base, etc.)

Period *

- Specific date
 Period of time

Enter the date of the event or activity. For ongoing activities select the 'period of time' option and enter the first and last date of the event.

Degree of recognition

No value ▼

Where relevant, select the most appropriate degree of recognition for the activity.

Persons/organisations

Persons *

University of Aberdeen, Consultant

Managing organisational unit *

University of Aberdeen
Organisational unit: Discipline

Change organisational unit...

Your name and affiliation will be pre-populated, click the edit button next to your name to select the most appropriate role for the activity, e.g. Advisor, Consultant, Contributor, Facilitator, Participant, etc. If your activity involved other people, either internal or external, their details can be added by clicking Add person, searching or adding their details, and selecting their role from the drop-down menu.

The managing organisational unit will be assigned as your department/ institute. If you are associated with multiple areas, you can click on the change organisation unit to select a different unit

Documents and links

Documents

Add document...

Links

Add link...

Where relevant, you can attach documents to the record, e.g. company brochure, CPD course details, etc. however, please check that you have the appropriate permission/authorisation to upload any documents. Documents can be added as Backend - restricted or confidential, and do not have to be public, even if the overall record is public and visible on the Research Portal. Pure supports multiple document and media formats including PDF, WMV, PNG.

You can also add links to any relevant websites. e.g. company, institution, or event websites.

Student theses

Relations to other content in Pure can be added as necessary. This will help illustrate the inter-connectedness of the various aspects of your research. Click the icon under the relevant content type to search for and connect items to the activity record.

Visibility ?

Public - No restriction ▼

If you would like the information to be available on the Research Portal, make sure you select Public- no restriction option in the visibility section, otherwise mark the record as 'Backend - restricted to Pure users', or 'Confidential - restricted to associated users and editors.

Status:

Finally, remember to save your entry. Once saved, your entry will appear in your Pure profile as "For approval". Once your entry has been checked and approved, any public records will appear in the research portal.
